MAXALTO

Nowadays there is a way to create a collection alluding to a modern memory; a way with its technical origins imbued with past knowledge of the craft, yet which knows how to look at the world with a fresh attitude, free from nostalgia.
Per una collezione che voglia rifarsi oggi a una memoria moderna, una via possibile è quella di un progetto colto: che ha le sue origini tecniche in una sapienza costruttiva passata ma sa guardare al mondo con uno sguardo attuale, privo di nostalgia.
